MT. CAESAR UNION LIBRARY

Librarian's Report

This past year a new program was added to the activities sponsored by the Library. It was a film program held every other week during the summer in cooperation with the Stratton Free Library in West Swanzey. The annual Vacation Reading Program had over 70 youngsters enrolled and over 1100 books were read. A certificate was presented to each youngster by Jane Johnson, Chairman of the Board of Library Trustees, at the closing program held in August.

The Fall Adventure Time Story Hour for children in grades 1 through 3 was held from October through December with Gail Morse, Hazel Fuller and Gail Talbot as resource persons. High school students and mothers supervised the children on their walk from the school to the Library. Several classes from the elementary and high schools also visited the Library during the year.

The Library continues as a part of the Nubanusit Coop which consists of several area libraries which have set up a program for cooperative purchase of books and supplies at a greater collective discount. The group meets monthly to discuss areas of common interest. The librarian attends professional meetings and conferences as well as special displays of children's books at the Keene District Office of the N.H. State Library.

Trustees regularly volunteer time to staff the library on Monday evenings. Several memorial gifts have been received. Joseph Baute has regularly given newly published books throughout the year – welcome additions to our book collection. Many other generous and useful donations of books and magazines also have been made to the Library as well as gifts of money. Such generosity of time and gifts is very much appreciated and are very important in stretching a limited budget to provide additional services and materials to the town. An exhibit at the Cheshire Fair was created by Hazel Fuller and won a blue ribbon and prize money.

Some circulation statistics are: Books - 13,033; Magazines - 579; Jigsaw Puzzles - 106. Also circulated are records, pamphlets, a limited number of cassette tapes and films. 164 additional registrations of persons using the Library were recorded. Books are also taken to the Carpenter Home on a regular basis. On 3 visits to the Library 3306 books were borrowed from the N.H. State Library Bookmobile.

The Library is used by residents from all parts of Swanzey including all ages, newly established as well as older residents. It is presently open 24 hours weekly with plans to increase that number.

Hours: Monday through Thursday: 1:30-4:30; 6:30-9:00
Tuesday mornings: 9:30-11:30

Serving on the Board of Library Trustees are: Jane Johnson - Chairman; Carolyn Coughlin - Vice-Chairman; Janet Parsons - Secretary; Elsie Navish -Treasurer; Charles Ford, Hazel Fuller, Gus Marshala; Judy Martin; Darrell Mitchell; Jane Mensel; Rita Prudhomme; Richard Talbot.

Assistant Librarians: Eleanore Collins and Lorraine O'Gorman.

Respectfully submitted,

Ruth Palm, Librarian

STRATTON FREE LIBRARY

In 1711 Joseph Addison wrote "books are the legacies that a great genius leaves to mankind, which are delivered down from generation to generation, as presents to the posterity of those who are yet unborn." Almost one hundred years ago, George Stratton gave a gift to the town of West Swanzey filled with the presents of great geniuses. Some of those original books are still in the library, but each year we add to our collection. This year alone we have added 219 volumes to the shelves. We have greatly strengthened our children's collection, and we are trying to update our non-fiction selection.

One hundred six people became new patrons of the library this year. The students at Peter Pan Kindergarten in West Swanzey enjoy Story Time at the library each Thursday morning and are encouraged to choose books for home reading. Story Time also continues on Tuesday afternoons from 2:00 to 2:30 for any pre-schooler who would like to attend. Besides the kindergarten and the Story Time, our services are extended to the Holbrook Home where we take films and books every other week, and to the Community Christian School which checks out 150 to 300 books per month.

Through the kind generosity of Sherman Lovering we now have a display case in the library. Each month we have been fortunate to have a new display of Swanzey historical pictures and albums to present from the excellent collection of Mr. Eddie Calkins. He has also been to the library twice with a multitude of pictures to show, and quite a few people have taken advantage of the chance to learn more about the history of their immediate environment. We greatly appreciate these "presents" Mr. Calkins has let us use.

The library is still interested in obtaining local history you may have. Several people have written papers on the history of houses in West Swanzey, and we would certainly enjoy adding to this collection.

Our children's summer reading program was quite successful. About fifteen children attended weekly Story Times and added leaves to their own Tree of Knowledge for each book they read. We also had film programs every other week which were very well attended. We will continue this again next summer.

We have added two hours to our weekly "open" time, and Mrs. Carol Haley is now at the library to help you on Thursday morning from 10:00 to 12:00. We are also open Thursday afternoon from 2-4:30 and Tuesday from 2-4:30 and 7:00-8:00. Please do take time to come and see Mr. Calkin's pictures and to receive your share of the legacy Mr. Stratton left for you.

Trustees are: Mr. Ernest Perry, Chairman; Mrs. Carol Haley, Secretary; Mr. Raphael (Bill) Haley, Treasurer; Mr. Richard Talbot, Town elected Trustee; Mrs. Pat Fenn, Mr. John Fisk, Mrs. Barbara Hood, Mrs. Susan Miller, Mrs. Carol Roosa, and Mrs. Theresa Stepenuck.

SWANZEY VISITING NURSE ASSOCIATION

For the past year Swanzey has continued to purchase health care service from Winchester according to the contract. From time to time representatives from the S.V.N.A. have attended meetings of the Winchester Association.

The Swanzey nurse has provided blood pressure checking service etc. at her regularly scheduled appointments in the Town Hall. Swanzey residents have responded well to these opportunities.

Area towns are now studying the possibilities of combining health services to provide better care with less duplication.

At the Dental Clinics for Swanzey children 240 took advantage of the service, 15 to 20 of whom were pre-schoolers. The S.V.N.A. has co-sponsored this project with the Swanzey P.T.O.

EAST SWANZEY FIRE COMPANY

The East Swanzey Fire Company wishes to thank everyone who helped with the work on the new truck in East Swanzey.

This truck is a 1957 International Maxim Fire Truck. It was bought for $2,200.00 from Duxbury, Mass. We have gone all over the 750 Hale Pump and put on a new electric Priming Pump. The truck was completely repainted and relettered. It has a 500 gallon tank, 800 feet of 2½″ hose, 400 feet of 1½″ hose and 300 feet of 1″ hose on an electric reel. The truck also has a thirty-six foot extension ladder, a sixteen foot roof ladder, an eight foot inside ladder and two Scott Air Packs. It also has an asbestos fire suit. The truck is equipped with a foam gun and fifteen gallons of foam to be used on gas and oil fires.

This truck took the place of 27-M-1 which was a 1940 Chevrolet truck. The call letters of this truck will be 27-M-1 and it will be stationed in the East Swanzey station.

Once again, I'd like to personally thank each and everyone who helped on this truck.

Edwin Ridley

REPORT OF SWANZEY ROAD AGENT

The Swanzey Highway Department worked on several major projects in 1979.

A drain was installed on Grove Street, North Swanzey and the street was resurfaced.

A very narrow bridge on the Rabbit Hollow Road was replaced with culverts.

The Carlton Road bridge was leveled and restored and a portion of the road was widened and resurfaced.

The West Shore Road at Swanzey Lake was widened.

Ash Hill Road was improved from Route 10 to the top of the hill.

Also a project not as visible to the general public - we rebuilt the 1971 International Dump Truck.

One of the projects planned for 1980 is insulation of the Town garage to save fuel.

Carl H. Walden
Road Agent

PLANNING BOARD

The Planning Board holds regular meetings the first and third Thursday of each month at 7:30 p.m. at the Town Hall in Swanzey Center. All meetings are open to the public.

During the past year, the Board received fifteen subdivision applications. Thirteen of these applications were approved, two being considered to be premature development and were denied. There were also two lot-line changes (to straighten or clarify boundaries) approved by the Planning Board. Fourteen Site Plan Review applications were filed with the Board - eleven approved, three denied.

The Board continued its work with the Regional Planning Commission on the Comprehensive Master Plan. After numerous meetings with interested citizens, the completed Comprehensive Plan was accepted and approved by the Planning Board in August. Copies of this report are available at the Town Hall for the cost of printing. The Soils Survey was completed this year also; and, turned over to the Town in December. This Soils Survey will be a great help in implementing the Comprehensive Plan; and, in the revision of the zoning ordinance - the project for 1980.

With regret, the Planning Board accepted the resignation of J. Michael Gomarlo. The Board wishes to thank Mr. Gomarlo for his years of service. It was under his Chairmanship that the Planning Board completed the long awaited Comprehensive Plan. Mr. E. Mitchell was appointed by the Selectmen to fill this vacancy.

Officers:

Chairman: Peter Poanessa
Vice Chairman: Peter Jenkins
Secretary: Virginia Malone

Respectfully submitted,

Peter Poanessa, Chairman

During the past year, the Board of Adjustment held six public hearings, granted eight variances, approved one special exception request, issued two commercial building permits, and denied three variance applications.

With regret, the Board accepted the resignation of Harry Kenney as an alternate member of the Board. Mrs. Rosemarie Fisher was appointed by the Board of Selectmen to fill this vacancy.

Officers:

ACTIVITIES OF YOUR REGIONAL PLANNING COMMISSION IN 1979

Calendar year 1979 was a big one for Commissioners and staff of the Southwestern New Hampshire Regional Planning Commission. It included major progress on master planning programs in 17 of the 29 member towns, development of citizens advisory groups in many of these towns, providing technical assistance for new zoning regulations in two communities, undertaking historic inventories in five towns, preparation of an Historical Manual for the State of New Hampshire, and the implementation of a mass transit system for the City of Keene.

Programs currently funded or being proposed include an economic profile of the Region, an energy "outreach" program, sub-regional co-ordination of plans and programs, and a water resources inventory program.

These activities have required daily contact with a number of communities, monthly and semi-monthly meetings with town boards and citizen advisory groups, and, of course, special meetings in the Region and elsewhere throughout the State.

Commission meetings, themselves, have included programs having to do with housing; State highway improvements; information meetings about Class VI roads, variances, special exceptions and other zoning and planning matters; economic development; and a review of legislative changes to enabling legislation.

The Commission has hosted the annual law lecture series and will host the Annual Meeting of the State's Regional Planning Commissioners in the Spring. In addition, the staff and the Executive Committee play a part in the review process for Federal funding programs.

The Executive Director is Catherine M. Larson, who heads a staff of nine, plus several interns. She also serves on the Governor's Council on Growth and plays an active role in providing information about regional planning to many civic and citizens groups.

Bi-monthly meetings, open to the public, are held regularly in Marlborough and Peterborough. Every town is entitled to two Regional Planning Commissioners (three from the City of Keene), to represent it. A six-member Executive Committee, elected from the Board of Commissioners, provides overall supervision of the program and staff.

Frank Dierauf, of Greenfield, is the current Chairman of the Commission and has stated on several occasions that the staff of the Commission is the staff of each of its member towns and provides full-time, technical capability in planning, zoning, subdivision and many other matters.

SWANZEY RECREATION DEPARTMENT

Our committee meets once a month.

During the year of 1979 $1,200.00 was the cost of finishing the fence on the Pee Wee Field at Lane Field. Also another much needed Pee Wee Field is being erected. Rototilling and seeding has been done on the new field. Hopefully the field will be done enough to use this spring.

Also a combination concession booth and storage building has been started and should be finished this year.

A much needed second softball field is being started at Brown Memorial Field. $1,900.00 was spent on fencing to start the field.

The raft was taken out at Richardson Park for safety reasons.

A Red Cross swimming program was held at Swanzey Lake for two weeks, averaging 45 children a day. The summer program was a success with about 110 children attending both Mt. Caesar and Cutler. Praise goes to Bob Brennan and his staff.

SWANZEY CONSERVATION COMMISSION

The Conservation Commission was revived in November, 1979, with a membership that reflects a good representation of the different areas of Swanzey. Since then the officers have been involved in updating the Commission's accounts and records, requesting and reviewing soils maps of Swanzey, reviewing Federal regulations with the county soil conservation commissioner, and holding public meetings to help define the role of the Commission in the community. The Commission will work with the Planning Board by offering suggestions on future land use.

The responsibilities of the Commission were defined as:

1. Review dredge and fill permits.

2. Review all proposals for development on wetlands or wetland soils.

3. Review all proposals for development affecting streams, rivers, lakes, and adjacent wetlands and flood plains.

4. Education of the public about conservation of resources - land, water and energy - through presentations and consultants.

5. Develop community projects: tree preservation and forest restoration, annual town clean-up, scholarships, etc.

6. Possible acquisition and management of land through donation, purchase and 'open space'.

7. Development of recreational areas and greenways.

Our meetings are held on the first Monday evening of each month at the Swanzey Town Hall. All interested residents of Swanzey are encouraged to attend.
